On March 5th we celebrated the launch of the *Epiphanies Everywhere: A Chronocling from the Hallways of LPSS GEAR UP* book!

We were at the Hilliard Art Museum with former Poet Laureate (2017-2019) Jack Bedell for a writing workshop, the sharing of success stories from LPSS GEAR UP, live readings of the authors' creative works, and a book signing!

Drs. H. Michelle Kreamer and Toby Daspit, along with Ed. D. student and GEAR UP Coordinator, Megan Breaux have a manuscript published in the *Journal of At-Risk Issues*.

The article details their work from the first-ever virtual Improving the Blank Page writing camp in Summer 2020 and teacher perceptions of the social-emotional impacts on the students who took part in the camp.
